

FC Willamette Uniform/Apparel Information & Order Form

Below are details regarding our Nike club uniforms and club apparel. Samples of game uniform and warm-ups are usually made available at preseason meetings for participants to confirm correct sizes. Alternatively, you may check with a club member who already possesses team apparel to confirm your correct sizes. We usually order uniforms immediately after pre-season meetings so if you want to be sure of getting the right size please make sure you

attend.

Game Uniform

Park Plus Shirt and Shorts

Two Nike team jerseys (one black, one white) are purchased by and remain the property of the club. Game Shorts, game socks, warm-ups are ordered and paid for individually and become the personal property of the individual player. Participants must purchase and pay for at least one pair of game shorts and one pair of game socks prior to pre-season training. Purchase of warm-ups and extra game shorts or socks are optional. Prices are listed on the order form below. **You do not need to order game shirts unless you are replacing a lost shirt.**

The training uniform consists of T-shirt, Nike Park shorts, Nike socks and sweat shirt. Training uniform purchases are usually ordered prior to the start of pre-season training. Embroider Your Nike Apparel

If you have Nike apparel such as a sweatshirt, t-shirt or jacket, FCW will embroider your apparel with our FC Willamette logo. Apparel must be colored black or gray and must be Nike brand (we cannot embroider other athletic or generic brands). Send in your apparel to our office with your order form. Make sure you permanently affix your name to the item(s) so that we know who they belong to. We schedule embroidery when we have enough items to make up a reasonably-sized order.

Placing Your Order and Order Delivery

Since we do not keep a large amount of apparel in stock, orders are taken at specific times of the year. Please take note of the current order deadline. Apparel orders must be placed using the form below and include your payment at the time the order is placed. Mail your order form and payment to FC Willamette, PO Box 1642, Corvallis, OR 97339. Orders fulfilled during periods when your team is practicing (Fall Season, Winter Season, Spring Season or Summer Academy) can be delivered during practices. During out of season periods items can either be mailed or picked up at our office in Corvallis. If you wish to have your order fulfilled during an out-of-season period please add the appropriate amount for shipping. This is particularly important if you are ordering something for the pre-Christmas period when we do not hold practices.
